WELCOME WORD

Dear friends of the judo family,

It is with great pleasure and pride for our federation to organize the 2nd edition of the Oceania Open de Tahiti in this exceptional Olympic season.

I take the opportunity of this welcome word to thank the participants of the first edition, who despite the Covid and financial constraints maintained their participation, but also and especially the sports institutions as the Institute of Youth and Sport of French Polynesia which, despite the difficulties of the first edition, supported us to organize this sporting event.

With the Covid pandemic over, we hope to welcome many athletes from different continents, to contribute to their preparation for the Paris 2024 Olympic Games. That is why, drawing on the lessons learned from the 2022 experience, we have done our best to facilitate the venue of foreign delegations, seeking to reduce the costs associated with accommodations.

Hoping that this second edition will be a success on a sporting and human level, I wish, on behalf of all Polynesia, all my wishes of success to the participants.

Stephane GUSTIN

President of the Polynesian Judo Federation

Draw

The draw will be held ONLINE. The top eight from the entered competitors in each weight category will be seeded according to the current IJF World Ranking List.

Weigh-in

Official weigh-in for each weight category is held the evening before the competition day (see program). Athletes must present their OJU accreditation card and their passport (National ID Cards showing nationality, picture and date of birth are also accepted).

Official scales or test scales will be available for test weigh-in on Friday and Saturday from 08:00 – 22:00 (except during official weigh-in from 17:30 to 18:30).

Accreditation & Control of Nationality

At least one team delegate (and not more than 2) who have been tested on spot and received negative results must attend the accreditation on Friday from 10:00 – 17:00 on time in order to confirm the entries of all athletes and officials with his signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event. In case of unforeseen delay of arrival, the National Federation must immediately contact both the organizer and the OJU. Passports or photocopies of passports from all competitors must be available on request (national ID Card showing nationality, picture and date of birth or a copy is also accepted). The competitors must not be present at the nationality control.

Very important: Each National Federation must be represented by a team leader or coach responsible for registration of ALL athletes from the respective National Federation, regardless club or other membership. Every National Federation will be accepted for accreditation only once, when all entries and payments can be confirmed at the same time.

For each official team member from a delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the OJU during the official registration. A delegate should never wear another delegate's accreditation card remains the property of the OJU and can be withdrawn, with immediate effect, at the OJU's sole discretion.

If an athlete loses his/her accreditation, he/she must inform the LOC immediately to obtain a new card by paying US\$20

Judogi Control

Approved Judogi

All Judoka must compete in IJF Approved Judogi (only red label allowed) and Judogis from all IJF suppliers are allowed (see www.ijf.org → Official Supplier List).

Judogi Control

It will be operated with a Sokuteiki prior to the fight. Judogi must have an IJF Official Label "APPROVED JUDOGEI" with an optical code which cannot be falsified. The label will be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have an IJF official label.

Backnumber

Each competitor taking part in the OJU events is obliged to have sewn on the back of his Judogi the official backnumber (both OJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from www.mybacknumber.com or www.officialbacknumber.com (Attention: production and delivery may take around 4 weeks). The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

Markings and Advertising

The space on the shoulder stripes (25cm x 5 cm on both right and left side) and on the upper arms (10cm x 10cm on both right and left side) can be either used for own sponsors of the Federation or Judoka or OJU Suppliers,

BUT not for any other Judogi supplier. The space on the right chest (5cm x 10cm) can be used by the Judoka for his/her own sponsor. The logo of a Judogi brand can only be used, if it corresponds with the brand of the Judogi itself and if it is an OJU Supplier. Further, no logo of a competing brand of the advertising reserved for the Federation can be used (unless approval granted by the Federation).

Please note: On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals. The space on the left chest (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed). All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules.

Important:

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.

Responsability of federations

The competitors will compete under the full responsibility of their federations. Insurance: Each national federation is responsible for insuring its competitors against "injury and third part risk (public liability)" during the period of the event. The European Judo Union and the organiser decline all responsibility.

Consent for Photography/Videos/Filming

Delegates inscribed by their National Federations for OJU events consent to the OJU and its media partners to use content of them, including data, live results, photographs and/or video recordings (hereafter referred to as Media). This media may be obtained from National Federations and OJU. It will also be acquired by the OJU and its media partners from in and around all OJU event venues. Media could be used in print and digital media formats including print publications, websites, emarketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.
